**Explanation of Claim Deficiency/Ineligibility:**

**THE DOCUMENTATION PROVIDED IS INADEQUATE**

The documentation provided for your entire Claim does not satisfy the required document standards.

**How To Fix:**

You can resolve this deficiency by submitting acceptable documentation to support the Claim. All holding positions and transactions set forth in the Claim Form must be properly documented.

Specifically, the supporting documentation for each transaction must reflect the purchase (acquisition)/sale date, the number of shares purchased (acquired)/sold, and the price paid/received per share. With respect to the required "holding" position as of March 11, 2022, the documentation need only support the number of shares held as of that date.

Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation (self-generated documents are not acceptable).
